What is your connection to Old Saybrook?

I've lived here since November 2007.

When, where, and how did you quarantine?

I never felt like I quarantined.

Did you feel prepared for the pandemic? How did you navigate the shutdown of services and shortage of supplies, such as hand sanitizer and paper products?

I bought a lot of toilet paper in March which I am still using up. If something wasn't available, I just went back a day or so later and checked again.

How did the pandemic affect you and your family?

Not greatly.

Did you learn anything about yourself during this experience that surprised you?

I'm a homebody.

Did you require help or social services during the shutdown and how did you navigate that?

No

How do you feel the Town of Old Saybrook responded to the COVID-19 crisis?

Quite well.

What will be the experiences and stories you will share with people in the future when you talk about the pandemic?

Is there anything else you would like to share?
